SUMMARY

How to make a Union Jack Shelf.

Step 1 — Union Jack Shelf

- This is the end result. Keep reading for the tutorial.

Step 2

- You will need: Interior paint (pink, orange and white), paint brush, tape

Step 3

- Start taping the shelf. Tape the front in a Union Jack shape and continue the design onto the top.

Step 4

- Start painting the pink stripes. Let dry and attach the tape in 1cm distance from the pink, so that you can then paint the orange color.

Step 5

- You can correct little errors with the white paint.

Step 6

- Don't forget to paint the sides as well.

Step 7

- Finished!

Step 8

● Done!
